Celje is a city of sports. It has hosted many major events and it has always excelled at doing so.

The year 2015 is a particularly important one for the town on the Savinja River. As we celebrate 125 years of sports, we are hosting the Basketball Youth World Championship and the ECA Wildwater Sprint Cup. We are proud to welcome the best European wildwater paddlers to Celje.

The kayaking tradition in Celje dates back to 1946. In recent years, it has become one of the key water sports in the town and its development potential in Celje is considerable.

I wish top-class kayaking events in Celje become a tradition and that their organizers recognize our town as an important hub of this sport in Europe. Celje has the required natural conditions and the infrastructure, as well as ample experience with organization of sports competitions.

I wish all competitors a pleasant stay in Celje and many top-class results.

Bojan Šrot
Mayor of the Municipality of Celje
