Tekmovalci tekmujejo na lastno odgovornost. Tekma bo izvedena kot interno testno tekmovanje. Na prizorišču ne bo medicinske oskrbe in reševalcev iz vode. Trenerji morajo poskrbeti za varnost tekmovalcev.

Za trening potrebujete posebno pismo KZS, ki ga predložite redarstvu.

All competitors start at their own risk. Race will be organised as an internal test race, so there will be no medical service at the venue and no special rescuing services. Coaches must take care for the safety of the competitors. For trainings you need a special letter from the Canoe Federation of Slovenia. Please let us know the names of competitors at least 6 days before trainings to prepare the letter. With this letter you need to go to Redarstvo Bovec to get free passes for the Soča River.
